ATHLETE STATEMENT

My journey has always been fuelled by a determination to defy limits. Growing up on the small island of Bermuda, I've thrived on proving wrong those who said a career in pro cycling wasn't possible. But this journey isn't just about me, I've taken immense pride in representing my country at the Pan American Championships, Commonwealth Games, and UCI World Cycling Championships. In 2025, while racing in Spain with Tenerife BikePoint La Sede, I sharpened my skills and evolved into a stronger team player. Whether pushing myself to achieve personal results or detonating a race to give a teammate the edge, I ride with intention and focus. Looking ahead to 2025, I'm seeking alignment with a team that shares my drive and is committed to unlocking untapped potential. I'm also targeting key events including the Elite Caribbean Championships this October, and the 2026 Commonwealth and CAC Games.
