Subject: Letter of Endorsement – Sebastian Kempe

To the Selection Committee,

On behalf of the Bermuda Sailing Association (BSA), I am writing to offer our highest level of endorsement for Sebastian Kempe's application for the Elite Athlete Sponsorship. Sebastian is not only Bermuda's premier sailing talent but has also become a leading figure in the international sailing community, representing our island with unprecedented success.

Over the last five years, Sebastian has transitioned from a dominant youth champion to a world-class senior competitor. His achievements are historic for Bermuda; most notably, he secured our nation's first-ever Gold medal at the 2021 Youth Sailing World Championships, followed by a Silver in 2022 and a Bronze at the 2021 ILCA 6 Youth Worlds. Since moving to the Olympic ILCA 7 class, he has continued to break records, recently achieving a world ranking of 26th—the highest ever for a Bermudian in this discipline.

His consistent podium finishes, including a Silver medal at the 2025 Junior Pan American Games and being named the 2025 Bermudian Male Athlete of the Year, demonstrate a trajectory aimed directly at Olympic success. Sebastian's immediate goals for the next two years are centred on securing qualification for the Los Angeles 2028 Olympic Games, with a rigorous training and competition schedule focused on breaking into the World Top 20.

Sebastian possesses the discipline, technical proficiency, and ambassadorial qualities that define an elite athlete. The BSA fully supports his campaign and believes that the Department of Sport and Recreation's sponsorship will be a critical investment in ensuring Bermuda is represented on the podium at the highest levels of global sport.

We remain available to provide any further documentation or performance data required to support this application.

Sincerely,

P. Somers Cooper
