Elite Athlete Sponsorship Fund

March 29, 2026

Dear Sir/Madame,

Re: Letter of Endorsement for Krista Dyer

This letter is to serve as an endorsement for Krista Dyer, on behalf of Bermuda Sanshou (Wushu) Association (BSA). I have had the pleasure of coaching Krista for thirteen years now. From the time I met her, she has presented herself with the utmost professionalism and has possessed a level of determination that has now seen her ranked amongst the top female combat sports athletes in the world. Krista's drive and competitive nature is infectious, and it wasn't long before she developed the technical ability and leaderships skills to earn her the role of Team Captain. While taking on this esteemed level of responsibility, Krista obtained her first international title by winning a gold medal at the 12th Pan American Wushu Championships in Argentina in 2018, a feat which she duplicated by winning gold again in 2024. She has claimed numerous World Kickboxing Association (WKA) world titles, but I would have to say that her biggest accomplishment to date is winning a silver medal at the 16th World Wushu Championships in 2023.

This significant accomplishment qualified her for a number of World events that took place in 2025, including the 10th Sanda World Cup in Wuxi, China, were she matched her feat at the World Championships with another silver medal performance. She also qualified and competed in the World Games in Chengdu, China, where she placed 4th in the female 70kg category, a weight class up from her usual 65kg. Krista is only the second Bermudian to compete in wushu at The World Games, and the first female. She is the first person to compete in san da at this prestigious multi-sport event.

Krista completed her world level competition year with a 5th place finish at the 17th World Wushu Championships in Brasilia, Brazil, where she continued her Team Captain duties for her young, female san da teammate who competed at the world level for the first time.

It is through Krista's competitiveness and her desire to be the best at whatever she does that has led her to being considered one of the top female athletes in Bermuda. This can be evidenced through her being awarded a Bermuda Government Sports Award for her outstanding achievements in our sport. Krista has always been willing to assist the other athletes in our program and serves as a real role model, particularly for her fellow female athletes. She is always willing to assist no matter what the task.

Krista possesses the ability to be the absolute best and with continued financial support to back her dreams, I believe that the best is still yet to come. Receiving support through the fund in 2025 really enhanced her chances of performing well at all three of her world events. We look forward to a competitive 2026 where Krista intends to continue her regional domination at the Pan American Wushu

Championships in Buenos Aires, Argentina. I fully endorse Krista's application once again for elite athlete funding to assist with the preparation and participation in this year's prestigious events. BSA appreciates your consideration of her application.

Sincerely,

Garon Wilkinson

President
