★★★★★ Season 2025

My grandson was enthusiastic about everything, he loved the facilities, the activities and especially the coaches, in particular Coach Hazel Clark. She made him feel so special with her personal tips. I was so impressed by her warmth on the last day when she said goodbye to him. He definitely wants to come back next year.

★★★★★ Season 2025

The high quality active warm-up and the broken 800m. Hazel Clark specializing in the 800m was a huge draw for us.

2022: The best part of camp was being tested on the last day to see how her sprinting/jumping power was--she was so excited about this!

★★★★★ Season 2025

My son, 16 years old, attended the Nike Track and Field Camp at the Hackley School. The Clark family were GREAT instructors. They truly motivated my son and he is definitely looking forward to attending next year's Nike Track and Field camp given by the Clark family next year!
